BLU+

{dual RF/GPS monitoring device}

*Improve RF workload efficiency
and gain GPS capability*

- > Replaces traditional RF equipment services with better communication, improved data and immediate notification of tampers.
- > No home installation by supervising agent needed.
- > No landline phone service in the enrollee's home needed.
- > Immediate notification for violating curfews and enrollee Check-Ns™.
- > Assign up to three required daily Check-Ns™ outside the enrollee's home, e.g., work, counseling or treatment meetings, etc.
- > Single battery charge powers device for minimum seven days under normal conditions.
- > Find the immediate location of an enrollee 24 hours a day, 365 days per year.
- > Pricing comparable to cellular RF monitoring.
- > Works with BLUbox to confirm when enrollee is home.

1212 North Post Oak Road, Suite 100
